

CS-Monolize II

FEATURES:

- High class design with scratch proof rubber coating in front
- Blue illuminated Aplus logo
- Blue LEDs for hard disk access and power on
- Blue illuminated adjustable 250 mm fan in the side door
- Totally 11 drive bays for a lot of different configurations
- 2 x USB 2.0 connectors in the front panel
- 2 x audio connectors in the front panel
- 120 mm, 92 mm or 80 mm fans mountable in the back (optional)
- 120 mm, 92 mm or 80 mm fans optional in the front to cool down the internal hard disk bays
- RoHS compliant

The Monolize II is a low price computer case with a lot of nice features like 2 x USB 2.0 and audio ports in the front panel. The high value design with scratch prove rubber coating in the front is also very interesting for system integrators. Enough space for up to 11 drive bays and also a reset switch and blue illuminated adjustable 250 mm fan for perfect cooling. You can avoid a very expensive and difficult installation of a water cooling system, also no maintenance. The internal drive bays can be cooled down by an optional 120, 92 or 80 mm fan in the front. You can use the same cooling configuration in the backside in order to cool all components additionally. The front of the Monolize II has a beautiful silk skin door with an acrylic illuminated Aplus logo and a temperature display.
